Monday, 08 March 2021

We are pleased to announce that Clipstone Cemetery is now a BRAMM registered Cemetery and under the BRAMM scheme we will

- Require **all** memorials to be erected to the current British Standard 8415
- Require all memorial masons to supply their BRAMM registration number on any memorial application.
- Recognise the BRAMM register and allow BRAMM competent masons to erect memorials in our cemetery.

In return BRAMM will allow all the benefits of being a BRAMM registered authority to BRAMM registered masons.

If you are not already a BRAMM registered business and wish to operate under the BRAMM Scheme you will need to register with BRAMM as a company and register your memorial fixers.

BRAMM is fully supported and endorsed by the leading industry organisations, an equal representation from these bodies sit alongside independent memorial masons on the BRAMM Board to ensure fair and non-biased decision making

For more information go to the BRAMM website @ [www.bramm.co.uk](http://www.bramm.co.uk)

Or

Telephone: 01452 346741
