That's brilliant news but I don't think people will carry their poo bags up baulker lane to the other side of Mansfield Road.

There is a post already installed at the bottom of baulker lane, in my opinion, this would make an excellent location for a poo bin in addition to the new bin you mention.

Could you kindly inform me who makes the decisions as to where new bins are located please?

Many thanks.

Good afternoon,

Thank you for your email.

Both a new dog waste bin and new litter bin are being installed nearby this week in the area of King Johns Road / Mansfield Road. Council hopes this helps to alleviate dog waste being discarded in the Baulker lane area.

Kind regards,

Michelle

Hi. I am writing to enquire if there is any chance that a dog poo bin could be purchased and placed at the bottom of baulker lane. There is a bin at the dog and duck and then at Viker Water, there is loads of poo along the paths from baulker lane to Vikers and also towards the dog and duck. I feel a bin at baulker lane would definitely help.

Very kind regards.
Kings Clipstone.

Goo Afternoon

You would need to contact Clipstone Parish council on the first instance as it will be them who need to finance the new bin. If they agree to your request they will contact us to arrange to get a new bin sited and then we will empty the bin going forward.

Hi. Who would I need to contact to enquire about requesting a dog poo bin being installed at the bottom of Baulker lane in Clipstone please?

There is such a lot of dog mess and no bin from the dog and duck car park until you get to Viker Water

Many thanks.
