

## Replacement Front Door

### Background

The front door of the building occupied by Squoshi's needs to be replaced. An aluminum door, frame and side panels have been proposed as they are considered more robust and secure in a commercial/business setting with increased usage.

### Quotations

	Charges (inclusive of VAT)	Notes
Quotation 1	£3,940	70% deposit required
Quotation 2	£4,000	
Quotation 3	£3,700	

### Recommendations

The Parish Council is asked to resolve:

- To proceed with quotation 3 subject to confirmation that removal/recycling of the door and frame being removed is included, confirmation of the warranty and that the work conforms to the necessary BSI standards.
- Should quotation 3 not offer the required assurance, to delegate to the Clerk the authority to proceed with either quotation 1 or 2 up to a value of £4,000.
