4. What is keeping the Council busy?

The Parish Council ticked over during lockdown, meetings were held on-line, it quietly went about its work, time was spent trying to catch up and there were several staff changes. The new community hub stalled so this project has been picked up. A request for planning permission has been submitted to refurbish part of the Miners Welfare Trust Social amenity. The Chairman concluded by adding that it was lovely to see the regular hall users back. It demonstrated the resilient and connected nature of Clipstone's community.
