Clipstone Parish Council

Please briefly outline of why you are interested in being a Parish councillor.

I feel I am already highly involved with the community with my position at work and therefore have a good advantage of knowing what the village failings, successes and requirements are.

Please tell us something about the life experience you will bring to the Council, for example, previous local government experience, work in the voluntary or charitable sector, business or trade union experience.

I have worked in many sectors through my career and feel it has given me good life experience to cover all walks of life. I have worked voluntary with the Royal British Legion for many years.

Please tell us something about the skills you feel you will bring to the Council, for example, professional qualifications, financial or project management expertise, listening and organisational skills.

I have qualifications in Accounting.

Also in my position at Clipstone Welfare and previously at Forest Town Arena I have managed many events, including organising them.

Are there any questions you would like to ask the council?

NO
