Clipstone Parish Council

Please briefly outline of why you are interested in being a Parish councillor.

Having recently moved to Clipstone (Oct 2022)
I can see its potential and would love to be
part of helping it achieve that.

Please tell us something about the life experience you will bring to the Council, for example, previous local government experience, work in the voluntary or charitable sector, business or trade union experience.

I have worked with the Buckinghamshire Association of Boys clubs. I was also Branch Secretary and Shop Steward for the GMB and run my own business.

Please tell us something about the skills you feel you will bring to the Council, for example, professional qualifications, financial or project management expertise, listening and organisational skills.

Whilst not qualified, I run my own business employing two local people, with a view to expand. I deal heavily with the construction industry which is the mainstay of most local communities.

Are there any questions you would like to ask the council?

How can we further our villages' potential?
How can we help our village achieve its full potential?
