

## 3 Year Project Plan

When Clipstone Parish Council met on 23 November 2022, a 3-year project and reserves plan was approved. The plan is recorded against agenda item 87 (2022), and associated attachments are issued as supporting documents to this report.

Since the plan's approval, several projects have been realised and other projects are in progress or at a planning stage.

### Recommendation

It is recommended the Council review the 3-year project and reserves plan.

It is recommended that Council commence considerations for its future vision, aims and objectives for the short, medium and long term.
