Councillors Present:

D Eskriett
J Fishwick
W Swiffin

In Attendance: The Clerk and the Responsible Finance Officer
: Cllr Celia Brooks from Newark and Sherwood District Council

CPC23/24	140	<u>Welcome</u> The Chairman opened the meeting
CPC23/24	141	<u>Apologies</u> Cllr Andy Freeman from Newark and Sherwood District Council Cllr Scott Carlton from Notts County Council
CPC23/24	142	<u>Declarations of Interest</u> There were no disclosures of pecuniary and non-pecuniary interests on matters being considered on the agenda
CPC23/24	143	<u>Public Session</u> There were no questions and petitions from members of the public
CPC23/24	144	<u>Community Protection Officer</u> The restructure of Community Protection Officer areas was NOTED A written update from Lauren Astle the new Community Protection Officer for Clipstone Lauren was RECEIVED Cllr Celia Brooks arrived at 7:08pm
CPC23/24	145	<u>County and District Councillor(s)</u> <u>Cllr Scott Carlton from Notts County Council</u> <ul style="list-style-type: none"> Cllr Carlton was unable to attend the meeting, and fed back that he has requested NCC Asset Management mow the land off Highfield Road behind the former Doctors surgery and consider restoring some of the fences. Cllr Carlton will seek clarity on future aspirations for the land.

Initial _____

Cllr Andy Freeman from Newark and Sherwood District Council

Cllr Freeman provided a written update, summarised below:

- Work to install 54 solar panels on Vicar Water Country Park's visitor centre and Rumbles café building began this week.
- Homeowners could face increases of 300% to their council tax bill if their property is empty. N&SDC's cabinet has recently passed proposals to widen the scope of the Empty Homes Council Tax Premium to include homes left empty for more than 12 months. This premium was originally introduced by the council to encourage property owners to bring empty uninhabited homes back into use.
- In late January work began on creating a native wildflower walk at Vicar Water Country Park, with pathways through the meadow to include living willow tunnels, bee posts and planters. New trees are also being planted to create more diversity within the area. A memorial rose garden with surrounding seating to allow for peaceful reflection and a place to remember loved ones is also being developed at the park.
- In November the Government announced that Sherwood constituency will benefit from a £20 million investment as part of its Levelling Up Fund Round 3. Press releases with quotes from Paul Peacock, Leader of Newark and Sherwood District have been issued. The District Council has two projects that it hopes can be funded by this investment. The first is the Ollerton Town Centre Hub, the second project could support a new sustainable industrial estate in Clipstone alongside some wider sports and education facilities.
- The District Council is committed to getting as much investment into Newark and Sherwood as possible and has been successful in securing more than £70million in grants that will help improve the area over the next few years. This includes £45million in Towns Fund for Newark, £20million for the Southern Link Road, more than £4million for Shared and Rural Prosperity Fund, £750k for the Accelerator Fund and £350k for the Reopening High Street Safely Fund. Thanks to this investment, and more yet to come, the district can look towards a future where opportunities for education, jobs, business and town centres can grow and attract wider audiences.
- As always if anyone needs to contact me about any issues, please email or give me a call.

Cllr Celia Brooks from Newark and Sherwood District Council

- Cllr Brooks encouraged residents and the Parish Council to engage with current planning consultations.

		<ul style="list-style-type: none"> • Cllr Brooks advised she is chairing a working party for 'Exercise Opportunities'. The working party has met twice to date and seeks to ascertain what resources are available in the district, where resources are lacking and identify improvements that can be made. A survey will be conducted to best direct N&SDC resources.
