PLEASE OUTLINE BRIEFLY THE ACTIVITIES OF THE ORGANISATION

As a registered charity we undertake a wide range of activities to promote physical activity, teamwork, mutual support and skills for life

Our aim is to provide the opportunity to undertake camps, expeditions and larger camps where young people can share experiences, come together and enjoy the activities we provide

Our four operating sections are growing and the need for extra tents is now apparent

We have existing equipment which has been actively used over 7 or in some cases over 10 years of very busy camping seasons and is showing some signs of heavy wear. With more young people applying to join we need to upgrade our equipment to provide more tents to cover our needs this year and for the future.

Our four sections have already planned camping experiences for this year.

The new tents would enable to continue our our door activities.
